9 Powerful Archangel Michael Prayers for Healing

Tips When You Pray For Healing

- Picture... in your mind's eye who you're praying to...
- For instance, all of the prayers you're gonna read below, I channeled directly from Archangel Michael
- It's suggested you picture Archangel Michael within your thoughts before saying the prayers so that he knows you're calling on him.
- He will arrive in less than a split second, as soon as you picture him, because he's not bound by time, nor space and is dedicated to all humans on earth who ask for his assistance (without question).
- When you want to pray for family or friends, replace the word "me" or "my" in the prayers with the person's name so that Archangel Michael and your Divine Angelic Guides will know who you're praying for exactly.
